

WELCOME TO LOU'S!

We specialize in American comfort food, craft cocktails and good vibes. All our dishes are homemade and prepared fresh to order. We source our products locally, use only Swiss meat and work with small local suppliers whenever possible. Our dishes range from our crispy fried chicken and juicy smash burgers to our locally crafted pastrami, made to Lou's recipe. Most of our dishes can also be prepared vegan or vegetarian. Our bar specializes in craft cocktails and selected spirits, but has an equally great selection of local craft beers and great wines.
